Chief, Industrial Division, ORR

Cancellation of Project 35.516

REF : I/SH Memorandum to St/PR dated 19 June 1956.

1. This office reviewed very carefully a proposed draft of the project in question and concurs with the recommendation of the Acting Branch Chief that the project be cancelled.

2. Whether it will be desirable at some time in the future to initiate research in this area remains an open question depending upon changes in importance of the industry and the availability of data.
